New Summer Splash Bus Making Waves on Miami Beach

The Parks and Recreation Department has created the
"Summer Splash Bus," which offers free transportation for
North Beach residents to Flamingo Park Pool. The routes will
be available May 30 - August 11, 2006. Pick-up sites are
located at North Shore Park and Normandy Isle Park. Kids
12 years and older may ride without an adult but must first
register at North Shore Park Youth Center. Children under 11
must be accompanied by an adult. For more information, call
305.673.7730 or visit miamibeachparks.com.

City of Miami Beach Creates Additional Lane on Collins Ave. FDOT Proceeds with 63rd Street Flyover Construction as Scheduled

The City of Miami Beach began construction of a third
northbound lane on Collins Avenue from 63 to 71 streets
to ease traffic congestion during the construction of the
63rd Street Flyover Project. The Florida Department of
Transportation (FDOT) informed the City that it will
proceed with the project as scheduled on May 31, 2006.

The creation of the third lane requires the removal of
bulb outs, landscaping, curbing, and streetlights on the
east side of Collins Avenue from 63 to 71 streets. Bus
stops will remain in existing locations.

The removal of bulb outs began last week, and the lane
addition is anticipated to be completed on Sunday,
June 4, 2006, or earlier. During this period, residents
should anticipate road delays due to intermittent lane
closures on Collins Avenue, although at least one lane
will remain open.

FDOT will begin construction on the bridge as soon as
all the bulb outs have been removed, and the third
northbound lane will be open to traffic.

A whole new AveNEW!

Washington Avenue Re-Opens On Time and On Budget

After an intense reconstruction and beautification,
the City of Miami Beach marked the completion of
the \$12 million Washington Avenue project with a
ceremony for the new and improved "AveNEW" on
Wednesday, May 24.

In April of 2003, the City's Capital Improvement
Projects Office embarked upon a major overhaul of
one of the city's most important commercial districts.
A comprehensive construction and traffic flow plan
resulted in a significant quality upgrade of
streetscapes, drainage, water-main, replacement of
sidewalks, and new curbs and gutters. Aesthetic
enhancements include new street lighting and
landscaping. Construction was phased in to reduce
impact on businesses and residents.

The celebration also acknowledged the support of
the merchants of Washington Avenue, who patiently
worked with the City during the construction period.
The successful completion of Washington Avenue
will serve as the prototype for all of the City's future
right-of-way projects.

MEMORIAL DAY HOLIDAY WEEKEND

Miami Beach Government offices will be closed on
Monday, May 29, 2006, in observation of
Memorial Day. A special Memorial Day Ceremony
will feature police color guard, City officials and
U.S. veterans, at the Miami Beach Police Station on
Monday at 10:30 a.m.
